

## MRGC LEGACY FUND

The Manatee River Garden Club Legacy Fund Committee (LFC) has been established to manage gifts to the Club and ensure that funds are used for substantial and sustainable projects as well as memorials. Planned giving matters because there is no better way to ensure the future growth and strength of MRGC.

Results of a MRGC Legacy Fund Wishes Survey conducted with our members showed that donations should be used for scholarships, property enhancements and environmental beautification. The Committee makes specific recommendations for fund expenditures to the Board for approval.

We thank you for your interest in giving a gift to the Club. Please indicate below the nature of your gift and give us your contact information so that we may get back to you.

### Choices for Making a Gift to the MRGC

- **Submit a gift today**

The financial benefits to you include an income tax charitable deduction (if you itemize) and the possible elimination of capital gains tax if you give appreciated assets. You can now give a portion of your required minimum distribution at any time without income taxes being applied.

Have a member of the LFC contact me regarding making a gift.

- **Establish a gift through my estate plan**

You can include a gift in your will or living trust, stating a specific dollar amount or designating a percentage from your estate.

I have included MRGC in my will or estate plan.

- **Designate that contributions from family and friends be given to MRGC at the time of my death**

These instructions would be placed in your written plans for funeral arrangements.

I have so designated in my funeral plans.

- **Order a custom-engraved commemorative brick to line the Club's garden paths**

A brick could be donated in memory, honor or support of a club member, a friend, or a family member. Or it could also be donated to commemorate a special occasion such as a birth or anniversary.
